3 - Exclusions and additional charges

Any medical services not mentioned above are not included in the price of the plan. The exclusions are not limited to the list below:

- After hours outpatient visits require an additional charge of HUF 8,000 per visit.
- Hospital care
- CT scan/MRI diagnostics
- Ambulance transportation and home visits
- Dental Care outside of the check up
- Infertility and assisted fertilization treatments
- Medications, vaccinations and medical supplies (i.e. bandages, crutches, casts and splint application etc.)
- Laser treatments and bone density screening
- Therapeutic massage
- Prenatal care
- Conditions arising from drug abuse, alcoholism or sexually transmitted diseases

4 – Please note!

- When purchasing the Plan you will be required to fill in a Credit Card Authorization form that serves as a payment guarantee for FirstMed. The information given on the form will be kept strictly confidential.
- The services provided or arranged by FirstMed, which are not included in the scope of the Elite Plan, may involve significant costs. Please inquire about the prices prior to the treatment.
- Plan holders are entitled to a 35% discount on selected outside medical consultations, exams and surgeon fees organized and billed by FirstMed.
- FirstMed is not responsible organizing appointments, if the patient decides to pay at the place of service. However we can still provide contact information of outside consultant or facility.
